SCHOOL BUS SAFETY TIPS

MOST SERIOUS SCHOOL BUS INCIDENTS OCCUR WHEN CHILDREN ARE OUTSIDE THE BUS, AND 75% OF THESE INCIDENTS INVOLVED CHILDREN UNDER THE AGE OF NINE.

Make sure your children know and follow these rules:

- Be on time for the bus
- Never run to or from the bus
- Be alert and stand back from the curb
- Don't push or shove
- Stay in your seat
- Don't yell or shout
- Always obey the driver
- Wait for the driver's signal before crossing
- Always cross at least 12 feet in front of the bus
- Never crawl under a school bus

Meet the bus.

Coordinate with other parents to ensure an adult is present at the bus stop every day, especially when children under the age of nine are present.

Avoid using gadgets near buses.

Headphones, cell phones, MP3 players all distract our kids from knowing when a bus is approaching. Urge your kids to wait to use them when they're a safe distance from the bus.

Remove drawstrings.

Clothing your children may not always be safe. Drawstrings can catch in playground equipment, fences, school bus doors and escalators. Remove, shorten or replace drawstrings with another kind of fastener.

SYSTEM WIDE TRANSPORTATION

Students are encouraged to ride on school buses. Those students who do not have access to bus service or must drive to meet the bus are encouraged to car pool. Prior approval for car pooling must be received by the School Board before additional miles are authorized on the reimbursement established. If you plan to claim mileage reimbursement for transporting your child to and/or from school, you are hereby advised that you are required to file claim forms on a monthly basis with the Business Manager. To receive claim forms, contact the Business Office 717-3890, 320 S. Main St, Lead, SD 57754 before school begins.

- Flashing Red Lights -

DO NOT PASS BUS IN EITHER DIRECTION! MISDEMEANOR PUNISHABLE BY LAW!!

PARENTS ARE TO BE AWARE THAT DUE TO UNSCHEDULED LATE STARTS AND EARLY DISMISSALS DUE TO INCLEMENT WEATHER, ETC., IT WILL BE THEIR RESPONSIBILITY TO MONITOR RADIO/ TELEVISION STATIONS AND BE IN CLOSE CONTACT WITH THE SCHOOL. IT IS VERY IMPORTANT THAT PARENTS HAVE ALTERNATE OR EMERGENCY TELEPHONE NUMBERS AND AN EMERGENCY OVERNIGHT IN-TOWN RESIDENCY WHERE THEIR CHILD(REN) COULD STAY.
