The Blue Valley Rambler Yearbook staff is now selling the **2019-2020 Yearbook**. This is your chance to purchase your book for $38. Prices will increase to $45 for all orders after October 18th, and then once more to $50 starting January 1st, 2020. Please consider purchasing a yearbook for your student.

**New this year: Family Discount for immediate family members.** Pay full price (current selling price) for the first book, receive $5 off for the second per family, $10 off for the third. Get each child their own book and avoid future conflicts!

**Have you ever wondered why yearbooks are so expensive?** Each of the books has a quality hard cover, saddle stitching, color printing on gloss pages and are made to LAST! These books cost approximately $65 each to print but because of local businesses purchasing ads we are able to sell them for much less - only $38 for early birds and up to $50 for those last-minute purchasers. Really - it's a great deal! Please take advantage of it - you'll be glad you did!

**Is my child in the yearbook?** Yes! Every student in the BV district is included. High school students are guaranteed to be in the book 3 times but it's usually more. Don't miss out on your chance at this great keepsake!

Return this form with your payment to your child's building secretary or to Katie Larson. All questions can be directed to klarson@usd384.org.
