3/8	General Info	Over the last 18 months, we have been working to develop a long range plan to meet the future needs of Bryan County Schools, one of the fastest growing school systems in the State of Georgia. In order to support the developed plan, the Bryan County Board of Education has called for a special election on March 21, 2017. Please visit http://www.bryancountyschools.org/o/BCS/page/esplost-bonds to educate yourself about the upcoming election and plan. We appreciate your interest in our great school system and community!
