WELCOME

It is our pleasure to welcome you, the fans, to our 2006 Fall Sports Season.

Although the athletes are members of opposing teams, they are friendly rivals. Their participation in the game reflects the essence of interscholastic athletics -- to play hard but fair.

We encourage you, as fans and spectators, to demonstrate good sportsmanship and cooperation to ensure continued success this year and in years ahead.

Please support the advertisers in this program. Without their help these programs would not be possible.

Thank you for your support of high school fall sports.
