WELCOME

Mike Grady
Principal

It is our pleasure to welcome you, the fans, to our 2009 Spring Sports Season.

Although the athletes are members of opposing teams, they are friendly rivals. Their participation in the game reflects the essence of interscholastic athletics – to play hard but fair.

Steve Sandholm
Athletic Director

We encourage you, as fans and spectators, to demonstrate good sportsmanship and cooperation to ensure continued success this year and in years ahead.

Please support the advertisers in this program. Without their help these programs would not be possible.

Thank you for your support of high school spring sports.

UMPIRE SIGNALS

Spectator Interference -- batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time -- ball is dead, play suspended.

Awarding of Bases -- this shows umpire designating base or bases awarded by overthrow or ground rule double.

Home Run -- circular motion of umpire's arm.

Safe -- both arms parallel to ground.

Out -- right arm extended out and up.

Batted Balls Hit Fair or Foul -- if fair, umpire points to fair territory -- if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

Balls and Strikes -- umpire makes no arm movement if he judges a ball; if he judges the pitch a strike he uses an exaggerated movement of his right arm.

ATHLETIC COMPETITION

Athletic competition is a very important experience. It provides opportunities to test athletic skills and abilities in competitive situations. It also provides a realization of successful encounters and "never forgettable memories."

The first step to meet competitive challenges takes place in demanding practice sessions. The athletes realize

that they must discipline their minds and bodies and cooperate with their coaches and teammates to prepare for "game time" competitive challenges.

We salute all former athletes who have achieved worthwhile goals in athletics, and we wait in excitement to cheer the present athletes to new athletic endeavors.
