Paris Middle School

Improvement Plan
2020-2021

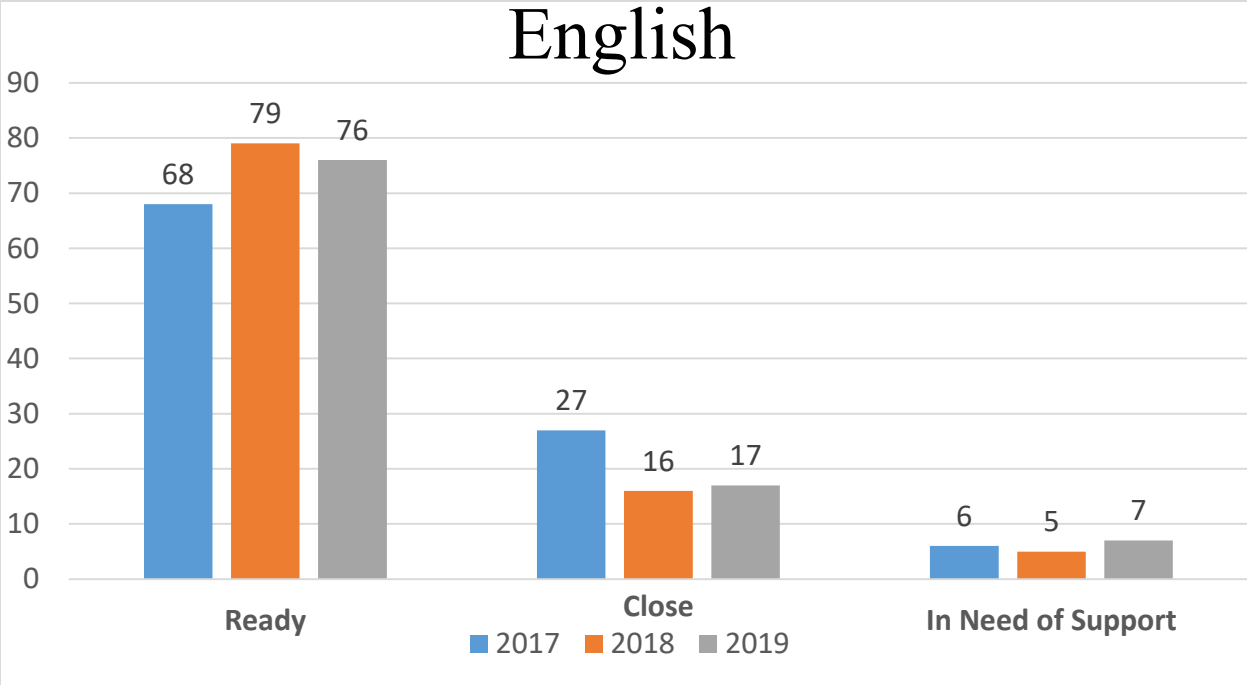
Vision:

Paris Middle School will strive for **EXCELLENCE** in providing the caliber of education that will empower our students to become self-directed learners and productive citizens.

*Due to Covid-19 Pandemic, our school goals have remained the same because of not being able to complete MAP Testing or ACT Aspire the previous year. The results of these test drive our instruction and we continue to trust the data that they provide.

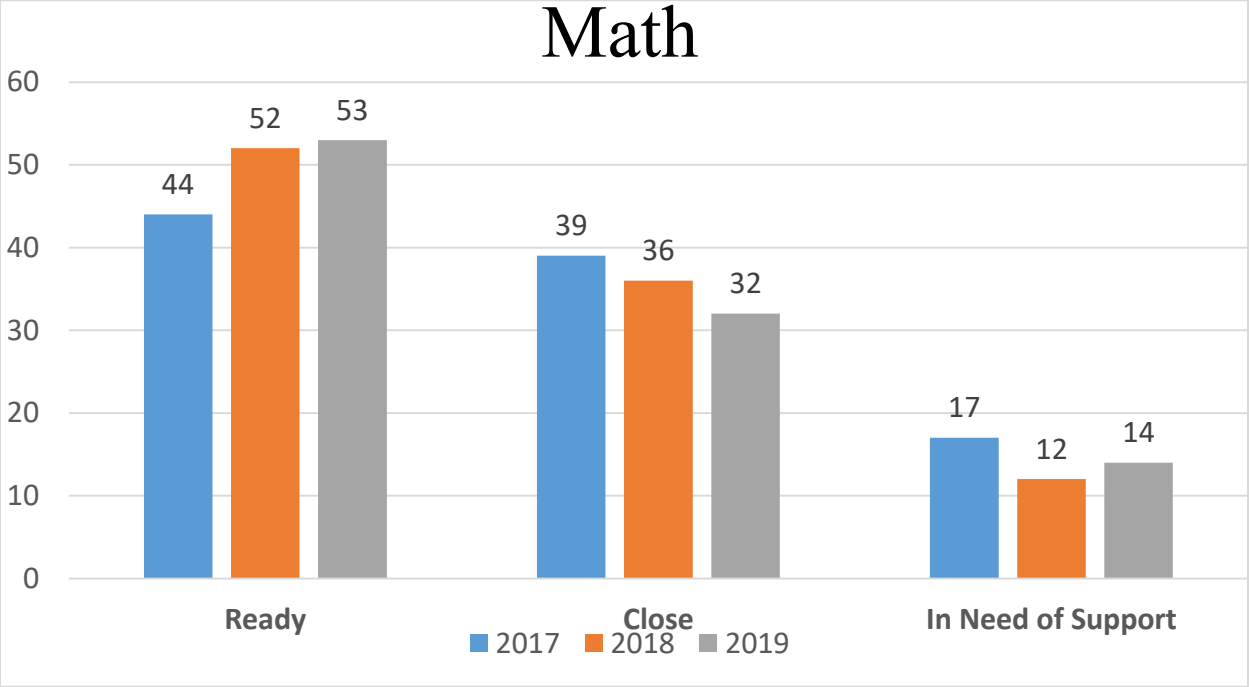
- Goal 1

  By the end of the 2020-2021 school year, there will be a 2% growth in English scores as measured by the ACT Aspire



- Goal 2

  By the end of the 2020-2021 school year, there will be a 2% growth in math scores as measured by the ACT Aspire



Evidenced-Based Interventions and Practices

- NWEA MAP Assessment PLC's
- Edgenuity
- PLCs
- Tutoring
- Point-in-time remediation
- RTI
- Benchmark Education Reading Program

Professional Development

- Guy Fenter Educational Cooperative Literacy/Math Specialist
- Science of Reading (Required for ALL Teachers)
- AR Math Quest for grades 6-8 math teachers and Instructional Facilitator
