

Below is a sampling of events/activities that happen in the District. A good guideline to follow to determine what kind of background check is needed is this: Will you be alone with a student or are you chaperoning an event? If you will be alone with a student or chaperoning an overnight event, then you will need to contact Human Resources to set up a fingerprinting appointment. Please send an email to jbanta@ms.k12.il.us. If you are only chaperoning an event, please click on this link to enter your information in a secure site to have your volunteer background check completed. Volunteer background checks only need to be done once a year no matter how many different activities you attend. Fingerprinting only needs to be done one time while volunteering in the District. If you leave for an extended period of time (year or more), please check with HR to see if it needs to be done again.
