

## ANNUAL NOTICES

### *Pest Management & Asbestos Reports*

The ROWVA School District No. 208 practices Integrated Pest Management, a program that combines preventive techniques, non-chemical pest control method, and the appropriate use of pesticides with a preference for products that are the least harmful to human health and the environment. The term "pesticide" includes insecticides, herbicides, rodenticides, and fungicides. Those wishing to be notified when these products are being used, please write to the Superintendent at PO Box 69, Oneida, IL 61467.

The finalized Asbestos Inspection Reports and Management Plans for ROWVA School District No. 208 may be examined at the Administrative Office at 335 N. Joy Street, Oneida and at the Jr/Sr High School (346 E. ROVA Drive, Oneida). They are reviewed by a certified inspector twice a year.
