

Woodstock Middle School 2023

SUMMER

Challenge

WIN A
\$50
gift card

Did you know?

 **Practicing math and reading skills** over the summer is crucial to student's success and happiness in the fall.

 **Practicing reading and math** for as little as 15 minutes per day can prevent a decline.

 **Students who participated in summer programs** entered the school year with a positive attitude about school, were more confident in the classroom, read beyond what was required, and perceived reading as important.
