Eblast to Parents – 10-3-2019

Greetings GMHS Students, Staff and Families,

I am writing to apprise you of temporary minor adjustments to our morning drop-off procedures due to construction of our new Security Vestibule Entrance. Please take careful note of the following and plan ahead accordingly for any adjustments you may need to make.

- 1. Work will begin on Wednesday October 9 (No-school in observance of Yom Kippur). On Thursday October 10 and Friday October 11, due to the anticipated volume, **students are strongly encouraged to take the bus on those days or be dropped off on the 10/202 side instead.***
- 2. Parents who **need to** drop off from 189 (and who usually do so in the GMHS main entrance circle) will be instead re-routed up the hill behind the tennis courts for students to enter through the upper rotunda.*
- 3. Parents who **need to** use the 189 entrance to drop students at the back of the middle school will still be able to do so, but are again encouraged to use the 10/202 side.*
- 4. In the event parents or visitors need to enter the building, they will park in the visitor spaces and enter the Community Gym Doors*
- 5. Seniors with parking privileges will still be able to park in their regular spots and will enter the Community Gym entrance.*
- 6. Students and staff who park in the circle can still do so, but will enter through the Community Gym entrance.*
- 7. At the end of the day, parents picking up students will again be asked to re-route up the hill behind the tennis courts, and any athletic buses will pick up students at the back of the math/world language wing and on the GMMS lot side.*
- 8. In any event of an emergency evacuation, the main entrance doors will still be accessible for egress.*

Thank you very much for your patience and cooperation!

*Mike
