Thank You Girl Scout Troop 80191

A very special thank you to Kathy Keaggy and our Girl Scout Troop 80191 for their very generous donation of time and materials to build a buddy bench for Columbiana Middle School. We currently have 21 girl scouts in grades Pre-K through 12. The buddy bench is now on our playground and available for students to use during recess. The bench encourages students with the powerful message, "Always Be Kind." Great job, girls!

Our 8th grade athletes have truly grown throughout the season. The team has improved with communication and confidence and finished the season strong. We wish our girls the best of luck in tournament action.

Best of luck to our boys on the rest of their season.
