Lady Badger Volleyball

Welcome to Badger Volleyball! We are excited to share this great sport for the young athletes. Volleyball is a total team sport and involves core strength, quick thinking, speed, and muscle memory. This camp will introduce the basics of volleyball along with introducing the culture of volleyball to the beginning volleyball player. We encourage parents to come and watch the Lady Badger staff and Lady Badger volleyball team lead drills and coach the young ladies.

In order to for the volleyball athlete to have a full experience and advance in their skills, we will group the players according to age. If the camper can function and play above age level, we will move her to the next age level or place according to skill/ability.

We look forward to seeing your athlete there!
