

Au-Some Evenings

One Friday each month

5:00pm-8:00pm

Once a month, these special Au-Some Evenings give children with autism spectrum disorder and sensory processing disorder, their friends and family an opportunity to play and learn together in an understanding and supportive environment. Families will have access to the museum space and play zones, including our cafe. Featured activities include a music center, therapy dogs, art projects and gross motor activities. Explore & More will also have a social narrative about the new museum and its play zones, quiet kits, as well as calming sensory friendly spaces in the museum.

Reserve your spot today by emailing:
