

Application to Participate

2023-2024 School Year

What is The Innovation Project?

Tri-Valley 9th hour innovation is an opportunity for students to spend time working on a project that fosters creativity, innovation and intrinsic motivation (that means self-motivated).

What are the student expectations?

- Work in small groups or independently to develop a project that interests you.
- Choose a project that is new where you will...
 - Create something.
 - Do social good.
 - Learn something new.
- With the help of an adult mentor make a plan, pitch your proposal, and produce a final product.
- Reflect on the process and document during 9th hours.
- Prepare and present a final presentation explaining your challenges and successes.
- Enjoy an incentive trip at the end of the school year.

How do I sign up?

Answer the following questions and turn them into the HS office by **Monday, August 28th.**

1) Name (First & last): _____ Grade this year: _____

2) I would like to participate in The Innovation Project and want to work... (circle one)

Independently

Team

3) If you selected a team, who is your team? (2-3 on a team)

4) Which of the following most interests you? (Circle one)

Do Good

Learn Something

Create

5) Any ideas on what type of project would interest you? If so, what are they? (If not, just write "not yet.")

6) What do you hope to accomplish by being involved in 9th hour innovation at Tri-Valley?
