

**TUITION AGREEMENT**  
Pecatonica Community Unit School District #321  
2023-2024

**Tuition for non-resident students planning to move into the district:**

Using the Illinois State Board of Education tuition fee allowances and School Board Policy 7:60, calculation will be based on the number of days of the school year enrolled while not in residence in the district:

Annual tuition fee	\$13482.51
Days in school year	174
Daily tuition fee	\$ 77.48

Before admission, students scheduled to move in during the school year must:

1. Provide evidence of future residence such as a dated lease or a contract to build within the district by a specified date.
2. Provide payment for the number of days of student attendance prior to occupancy of a residence within the district. The district will cash the check if the family has not moved into the district within the first 30 calendar days of the school year and the balance of the semester's tuition fees will be due.
3. After 30 calendar days student will be considered a non-resident student and subject to admission on a case-by-case basis.

**Tuition for students not planning to move into the district:**

All other tuition students may be admitted on a case-by-case basis excepting as may be provided for in a cooperative agreement with other school districts. Tuition will be based upon the same calculation as above. Tuition must be paid by the semester in advance of attendance.

**The district reserves the right to refuse admission to any nonresident student.**
