

## STUDENT ALCOHOL AND DRUGS

It is the policy of the Slate Valley Unified Union School District that no student shall knowingly possess, use, sell, give or otherwise transmit, or be under the influence of any illegal drug, regulated substance, or alcohol on any school property, or at any school sponsored activity away from or within the school.<sup>1</sup> It is further the policy of the district to make appropriate referrals in cases of substance abuse.

### **Definitions**

***Substance Abuse*** is the ingestion of drugs and or alcohol in such a way that it interferes with a person's ability to perform physically, intellectually, emotionally, or socially.<sup>2</sup>

***Drug*** means any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substance as defined by state or federal regulation or statute.<sup>3</sup>

**Educational Program.** The (superintendent or his/her designee) shall work with appropriate staff members to develop and conduct an alcohol and drug abuse educational program.<sup>4</sup> The program shall be consistent with the Vermont Alcohol and Drug Education Curriculum Plan<sup>5</sup>. If the school district is a recipient of federal Safe and Drug-Free Schools and Communities Act funds, the Act will be considered in the development of the alcohol and drug abuse educational program.<sup>6</sup>

**Support and Referral System.** In each school the principal or his or her designee shall develop a support and referral system for screening students who refer themselves and students who are referred by staff for suspected drug and/or alcohol use and/or abuse problems.<sup>7</sup> The support and referral system will include processes to determine the need for further screening, education, counseling or referral for treatment in each referred case.<sup>8</sup> In addition, the principal shall establish procedures for administering emergency first aid related to alcohol and drug abuse.<sup>9</sup>

**Staff Training.** The (superintendent or his/her designee) will work with appropriate staff to provide training for teachers and health and guidance personnel who teach or provide other services in the school's alcohol and drug abuse prevention education program. The training provided will meet the requirements of State Board Rules related to staff training.<sup>10</sup>

**Annual Report.** In a standard format provided by the Agency of Education, the (superintendent or his/her designee) will submit an annual report to the Secretary of Education describing substance abuse education programs and their effectiveness.<sup>11</sup>

**Notification.** The (superintendent or his/her designee) shall ensure that parents and students are informed of the standards of conduct and disciplinary sanctions contained in the procedures related to this policy, and are informed that compliance with the standards of conduct is mandatory. Notice to students will, at a minimum, be provided through inclusion of these standards and sanctions in the student handbook made available to all students at the beginning of each school year or when a student enrolls in the school.<sup>12</sup>
