

## STUDENT CONDUCT AND DISCIPLINE

### Policy

It is the policy of the Slate Valley Unified Union School District to maintain a safe, orderly, civil and positive learning environment via a system of classroom and school management practices, supported by consistent, clear and fair disciplinary procedures. The goal of this policy is to create an environment where the rules for student behavior are clearly stated, are understood and accepted by students and staff, and are applied in compliance with due process requirements. This policy is to be applied in conjunction with the school's overall discipline plan developed pursuant to 16 V.S.A. § 1161a.

It includes school grounds, facilities, and school-sponsored events whether held on or off of school grounds and vehicles used to transport students to and from school or school activities.<sup>2</sup>

### Student Responsibilities

It is the responsibility of each student to contribute to a safe and productive learning environment in the school by demonstrating respect and consideration for fellow students and adults. This includes complying with all policies and rules of conduct of the school district and individual classrooms.

### Administrative Responsibilities

The principal, in consultation with the educational staff, will develop an overall discipline plan pursuant to 16 V.S.A. §1161a.

The plan will include clear guidelines for student behavior. The guidelines may include provisions for the suspension or expulsion of students who engage in misconduct on school property, on a school bus, or at a school sponsored activity when the misconduct makes the continued presence of the student harmful to the welfare of the school. The guidelines may also include provisions for the suspension or expulsion of students who engage in misconduct not on school property, on a school bus, or at a school sponsored activity where direct harm to the school can be demonstrated or where the misconduct can be shown to pose a clear and substantial interference with another student's equal access to educational programs.<sup>4</sup>
