### School-Parent Compact

Golden Hills School has jointly developed with and distributed to parents of Title 1 students a Home and School Compact that outlines how parents, the school staff, and students will share the responsibility for improved student academic achievement. It also describes how the school and parents will develop a partnership to help children reach proficiency on the California content standards.

**Please take a moment with your student to read and sign the attached Home and School Compact and return to your child's teacher.**

### STEAM Family Night at Golden Hills

Parents, Guardians and students are invited to attend our STEAM Night on Wednesday, October 23<sup>rd</sup> from 4:30-6:30. The classrooms will have activities in science, technology, engineering, art, and math for students and their families to explore, construct, and draw.

Come celebrate the skills and knowledge your student has learned and join us for this fun and educational evening!

### Golden Hills School Hours

Monday through Thursday  
8:35am to 2:45pm  
Fridays – 8:35am to 1:45pm

#### Please Note:

**Golden Hills is a closed campus. Students who are waiting to pick up their siblings are required to wait by the north fence near the basketball courts. They are not allowed to be on campus while school is in session.**

**Please do not ask your student to meet or wait for you at an undesignated pick-up area. This causes traffic congestion and confusion at dismissal time.**

**Please pull forward when you are in line waiting to pick up your student. This allows traffic to move more quickly.**

**We appreciate your support in helping us to maintain a safe and secure campus for all of our students.**
