

ACCESS CONTROL

Policy

It is the policy of the Slate Valley Unified Union School District (SVUUSD) to provide a safe environment for students and employees while facilitating access to school buildings, premises and equipment by authorized users. The safety and security of the district's physical space and assets is a shared responsibility of all members of the Slate Valley Unified Union School District. This policy addresses the design and management of access-control systems and measures to ensure consistency in implementation.

The Superintendent shall establish access control procedures to address the design, administration and management of access control systems and measures. Access-control privileges shall be determined and assigned by the Director of Operations and/or his or her designee based on the specific needs and requirements of the District and the electronic identification/access badge.
