

Hello!

My name is Susanne Valach. I am the activities secretary and the lunch lady here at BCHS. I was born and raised in Dillon and graduated from BCHS in 2008. I then attended the University of Montana Western and graduated in 2011 with a business degree. After finishing my volleyball career, I was the assistant coach at Western for three years. I then coached JV here at the high school for three years followed by varsity for three more years. I took a break from coaching after having our son in March of 2021. I love being a part of BCHS again and living life to the fullest here in Dillon.

I can be reached at the school at 683-2361 or by email at svalach@bchsmt.com.
