The purpose of this letter is to inform parents and students about our annual Pacific Little League Co-Ed Basketball Program. Girls and boys in grades first through fourth from our elementary buildings are eligible to participate. This program relies on parents for coaching and organizing practices. Several elementary gymnasiums will be available for evening practices during the week. Actual games will be played on Saturdays at Riverbend School (2085 Highway N in Pacific).

Student participation will determine program organization and scheduling of games. Students in first and second grades will form teams to compete against each other, as will third and fourth grades. After teams are chosen, practices will start in December. With large numbers and limited practice time, the basketball season for first and second grades will precede that of third and fourth grades. League games will start in January after Winter Break for first and second grades and conclude in February. Third and fourth grades will begin games in late February and finish in March.

Registration night will be Wednesday October 9th, from 6:00-7:00 PM at Zitzman Elementary School in the cafeteria. If your child is planning to participate, we ask that you register at this time. **There will be a \$35.00 fee due at registration for each student participating which includes a t-shirt.** Cash will be accepted or checks/money orders can be made out to *Pacific Little League Basketball*. Please do not send the registration fee to your child's school.

There will be a registration form to fill out that night and a t-shirt size will be needed for ordering. There will be a special sign-up sheet for those adults interested in coaching. Any questions or concerns can be directed to Phil Gilcrease at 636-393-9155.

We hope to see everyone on Wednesday October 9th!

Coach Gilcrease
