If I were Principal for a day: I would bus everyone to Cedar Point for a field trip, and take everyone out for burgers.

Favorite school memory: My favorite school memory is playing football with my brothers.

People who have been an inspiration to me include:

My Grandparents

Because: They have always supported with everything I'm involved in, and they are an example of how to live for Christ.

Lately, I have been reading: Lord of the Flies, because it is required for school.

My advice to parents: Slow down and enjoy the simple pleasures in life.

My biggest regret: My biggest regret is that I didn't realize how soon it would be over, and I didn't take the time to enjoy high school enough.

Next year I will be: I will be attending a nearby school, pursuing a degree in business.
