

Memorandum of Understanding (MOU)

Between

Marysville School District (District) and Marysville Education Association (MEA)

Due to impacts of the recently concluded 2019 Washington state legislative session, The Marysville School District and the Marysville Education Association hereby confirm the following with regards to the transition to the SEBB.

Effective January 1, 2020, Section 7.5 Insurance Benefits, of the current collective bargaining agreement shall be replaced by the following:

Section 7.5: Insurance Benefits

A. School Employees Benefits Board (SEBB) Program

The District shall pay the full portion of the employer contribution to the School Employees Benefits Board (SEBB) for insurance programs as adopted in the statewide collective bargaining agreement for all employees who meet the eligibility requirements outlined below.

SEBB will implement the Statewide Collective Bargaining Agreement when establishing the employee rates which will be paid to the Health Care Authority (HCA) through payroll deduction for the month in which the employee receive benefits.

Benefits presently provided by the SEBB include but not be limited to:

- Basic Life and accidental death and dismemberment insurance (AD&D)
- Basic Long-term Disability
- Vision
- Dental including orthodontia
- Medical

Employees are eligible to participate in the SEBB offered Medical Flexible Spending Arrangement (FSA) and Dependent Care Assistance Program (DCAP). Employees will also have the option of enrolling in a Health Savings Account (HSA) when a qualifying High Deductible Health Plan (HDHP) is selected for their medical insurance (payroll deduction shall be made available if possible).

B. Dependent Coverage

Legal spouses, state-registered partners, children up to age 26 (biological and adopted children, children of the employee's spouse or state-registered domestic partner, children for which a court order of divorce decree created a legal obligation to provide support or health care coverage) and children of any age with a developmental or physical handicap who are not capable of self-support are dependents covered within the SEBB programs.

Upon moving to the new plan, should an employee have dependents that were covered as of December 31, 2019 but who no longer qualify for coverage under SEBB, the employee will have the opportunity to enroll these dependents at the employee's cost for a period up to 36 months (through payroll deduction as long as the employee has salary to cover the monthly cost).

C. Eligibility

Certificated staff, including substitute employees, shall be eligible for full insurance coverage under the SEBB program if they work, or are anticipated to work, 630 hours or more in a school year. For the purposes of counting hours for eligibility, the year shall be from September 1 through August 31. All hours worked during the school year shall count for purposes of establishing eligibility. Employees who are hired late in the year but are anticipated to work 630 hours or more the following year are eligible for coverage.

Paid leave hours shall count towards the 630 hours used to determine eligibility for benefits under this section. Employees on unpaid leave status will be considered in an employment status for the provisions of this section and will receive benefits when allowed by SEBB policy.

D. Benefit Enrollment/Start

Benefit coverage for new employees will begin the first day of the month following the first day of work when it is expected that the employee will work 630 hours, except during the month of September when the employee's benefit coverage will begin in September if the employee is expected to work 630 hours or more during the school year and that employee begins on or before the first day of school in September.

E. Continuity of Coverage

When a new employee to the district was previously employed by a SEBB employer and was eligible for SEBB coverage, that employee will have uninterrupted benefit coverage if they are anticipated to work 630 hours or more in the school year. If an employee was not anticipated to work 630 hours in a school year but meets that eligibility criteria during the school year, the employee will become eligible for SEBB benefits and will begin coverage in the month following this establishment of eligibility.

F. Benefit Termination/End

Any employee terminating employment shall be entitled to continue receiving the District insurance contribution for the remainder of the calendar month in which the contribution is effective. In cases where separation occurs after completion of full contract obligation (i.e. the end of the student school year in June) benefit coverage will continue until August 31. Any exceptions to this shall be discussed with MEA prior to implementation.

Monthly, the District will report to the Association the represented employees not covered by SEBB and those whose benefit coverage will change in the ensuing month. Any changes in benefits anticipated or occurring in July or August shall be discussed at the June Labor Management meeting.

G. Legislative Changes

If the Washington State Legislature changes provisions of the SEBB to allow for changes in employer contributions towards elective benefits, or substantially changes the medical coverage provisions, either party can reopen this agreement for negotiation over the changes to the extent allowed by law.

H. Additional Items

With proof of insurance, an employee may decline coverage through the SEBB and therefore not have any payments or premiums deducted from their paychecks for this purpose.

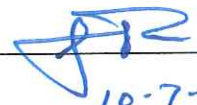

~~All employees who were working 630 hours during the 2018 – 2019 school year and continuing to be employed at the same FTE or greater, shall be assumed to be working 630 hours in the 2019 – 2020 school year and eligible for full benefit coverage under SEBB.~~

All of the provisions of Section 7.5 shall be interpreted consistent with the rules and regulations of the SEBB.
