

CALL FOR SCREENING COMMITTEE VOLUNTEERS

Submissions Accepted October 1st - 18th

The School Committee has launched its search for a new district Superintendent of Schools. The deadline for applications is October 28th, at which time the screening phase begins.

In an effort to involve as many stakeholders as possible in the process of selecting and hiring the best candidate to lead our school district forward, the School Committee is calling for volunteers and representatives from a variety of constituencies to serve on the Screening Committee. The duration of the commitment to the Committee will be short but intense, and will include: **attending workshops on 10/30 and 11/4** (2-3 hours each); **reviewing applications and interviewing candidates 11/12-11/25**; and **selecting five finalists on or before 11/25** (2 hours). Each member of the Screening Committee must be available for ALL events, day or evening. Specific times for weekday meetings and interviews have yet to be determined, but will be scheduled after 4:00 pm.

We are asking interested members of the following constituencies to submit requests for consideration: **Parents of Maynard Students** (in and out of district), **Maynard Students** (in district), and **Senior Citizens of Maynard**. If you are invested in the future of our schools and feel you would be a valuable contributor to the search, send an email of interest to the Screening Committee Chair at lclancy@maynard.k12.m1.us. Please include in your email your relevant experience, why you would like to be considered, which constituencies you are a member of (ideal candidates will represent more than one group), and your contact information.

We look forward to hearing from you!
