

Employee Assistance Program: ComPsych

RB is happy to announce that as of December 1, 2017 Richmond Burton Community High School District #157 will be offering an Employee Assistance Program !

This free program, called ComPsych, offered through NIHIP was chosen for its wide range of services that it can provide you as our employees.

Linked are two pdf files, one is an [introduction letter](#) and the other is a simple explanation of [what they all provide](#) with their phone number and code that you need to provide when calling. You will be getting more information on ComPsych in the coming weeks delivered to your district mailbox.

Remember if you need immediate assistance you can dial [866.260.9508](#), the code will be NIHIPEAP.

Please take the time to go ahead and look over the materials that have been and will be provided to you, they offer a lot of services from personal to financial to general help.

As always, if you have any questions or concerns about ComPsych please contact Denise Levendoski, CSBO

Shared Services Business Manager / Treasurer / CSBO
