

SILEX ELEMENTARY SCHOOL

TITLE I / PARENT INVOLVEMENT PLAN

Silex R-1 recognizes that when schools work together with families to support learning, children are inclined to succeed not just in school, but throughout life. Silex Elementary School Title I / Parent Involvement Plan supports family involvement initiatives and activities to improve student learning and to support effective school performance through family-school-community partnerships.

What is parental involvement, exactly?

Parental involvement in your child's education can mean:

- Reading to your child
- Checking homework every night
- Discussing your children's progress with teachers
- Voting in school board elections
- Helping your school to set challenging academic standards
- Limiting TV viewing on school nights
- Becoming an advocate for better education in your community and state.
- Limiting screen time

Or, it can be as simple as asking your children, "How was school today?" or "What was the best and worst thing that happened today?" But ask every day. That will send your children the clear message that their schoolwork is important to you and you expect them to learn.

Some parents and families are able to be involved in their child's education in many ways. Others may only have time for one or two activities. Whatever your level of involvement, do it consistently and stick with it because you will make an important difference in your child's life.
