In accordance with Section 1010 of the Every Student Succeeds Act (“ESSA”), Public Law 114-95, it is the policy of the Hebron Board of Education to provide parents and family members of students participating in the district’s Title I programs meaningful opportunities to participate in the education of their children within these programs. To facilitate parental and family participation, the Board encourages parents of Title I eligible students to be involved in regular meetings, communications, and activities that will inform them about the district’s Title I programs, to participate in the improvement of such programs and to help improve their child’s progress within these programs.

This policy has been developed jointly with, and agreed upon by, parents and family members of children participating in Title I programs. The district shall distribute this written Parent and Family Engagement Policy to parents and family members of participating students in an understandable and uniform format and, to the extent practicable, in a language the parents can understand. The policy shall be made available to the public and updated periodically, as necessary to carry out the requirements of the parent and family engagement portion of Section 1010 of ESSA.

The Board shall conduct, with the meaningful involvement of Title I parents and family members, conduct an annual evaluation of content and effectiveness of this policy in improving the academic quality of the schools receiving Title I funds. The Board shall use the findings of such evaluation to design evidence-based strategies for more effective parental involvement, and to revise, if necessary, the policy. Such annual evaluation shall include identifying:

1. barriers to greater participation by parents in activities authorized by 20 U.S.C. § 6318 (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background);
2. the needs of parent and family members to assist with the learning of their children, including engaging with school personnel and teachers; and
3. strategies to support successful school and family interactions.

Each year, each school within the district that is involved in Title I programs shall also conduct a meeting, at a convenient time, to involve parents in the planning, review and improvement of programs funded by Title I. All parents of participating children must be invited and encouraged to attend. At this meeting, parents shall be given a description and explanation of the Title I programs, the curriculum in use at the school, the forms of academic assessment used to measure student progress, the achievement levels of the challenging State academic

standards, and information regarding the importance of parental involvement and their right to be involved.

In addition to the required annual meeting, and if requested by parents, schools within the district that are involved in Title I programs shall offer opportunities for regular meetings at flexible times of the day in order to allow parents to formulate suggestions for the Board's Title I programs and their application to their child(ren)'s programs; and to participate, as appropriate, in decisions related to the education of their children. Parents will be given opportunities to participate in the joint development of the district's Title I plan, as required by Section 1006 of ESSA, and in the process of any school review and improvement in accordance with the State's plan, as required by Section 1111 of ESSA. At any time, if a parent is dissatisfied with a school's Title I program, he/she shall have the opportunity to submit comments for review at the district level.

The Board will provide the coordination, technical assistance and other support necessary to assist and build capacity of Title I schools in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance. Parental and family engagement in Title I programs shall be coordinated and integrated with parental and family engagement strategies, to the extent feasible, under other federal, state, local and district programs.

In order to build the schools' and parents' capacity for strong parental involvement, the Board shall:

This policy further requires that each school involved in Title I programs shall jointly develop with parents of participating children a school-parent compact that outlines how parents, staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. The school-parent compact shall:

4. ensure regular, two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand.

The Board authorizes the Superintendent, or his/her designee, to develop a school-parent compact and other procedures such as those relating to meetings, parent communication and parental involvement activities, as he/she deems necessary in order to ensure compliance with this policy.

The Superintendent is required to include information about parental involvement and actions taken to improve parental involvement, in the strategic school profile he or she submits annually to the Board of Education and Commissioner of Education.
