Philosophy

It is our belief, at Happy Days, that all children are unique individuals. We believe that children learn by seeing, imitating and experiencing a variety of activities. We focus on the development of our child's self-confidence, self-worth, self-discipline and independence. Each day's activities provide a balance of quiet and active play as well as both teacher and child initiated activities.

Program

We will be providing outdoor play, afternoon snack, quiet time for homework and educational (fun) table choices such as; writing, open art, blocks and games. We have an open-door policy and encourage parents to visit the class anytime.
