#### South Central CUSD 401 Transportation Pick-up and Drop-off policy

The goal of the South Central School District is to provide the students of the District with a safe and secure transportation program. This goal can only be achieved through the combined efforts of our schools, bus garage, students, and parents.

The District has adopted the following policies:

Students will be allowed one pick-up address and one drop-off address. These pick-up and drop-off locations may be different, but must be consistent every day of the week. In the case of an emergency, students will be allowed an additional location which will be used in cases of emergencies only. Both the primary and emergency locations need to be completed at registration prior to the start of school. Preferably when using the emergency address, a note needs to be turned into the building office by 8:30 A.M. These situations will be considered on a case by case basis. No phone calls for bus changes will be taken during the day except in an emergency situation.

For purposes of consistency and to avoid overcrowding of buses, the matter of students switching buses is strictly regulated. For example, students may not switch busses for such reasons as going to another student's house to spend the night, slumber parties, etc. Parents will be responsible for transportation in such cases.

In the case of split custody, each parent will be allowed one pick-up and drop-off location, these must be consistent.

If a student misses three consecutive days without a call from the parent, the bus service will not resume at that address until the parent makes contact with the bus garage.

Because of the danger associated with students being left unattended, the following guidelines will be followed. In the circumstance that there is no one at the drop-off location; the student will be returned to the school district, a verbal conference with the parent or guardian will be held, if this continues parents may be referred to local authorities.

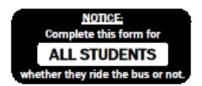

Student can be picked up from school by a parent or designee at the close of the school day. The parent or designee must come to the office to pick up the student.

In summary, student transportation options are as follows:

- 1. Primary pick-up and drop-off location
- 2. Emergency pick-up and drop-off location
- 3. Students can be picked up any day at the close of the school day in each building. Please send a note or call so that we can prepare the student. (This is not considered a bus change).
- 4. Have an emergency contact meet your child at the primary pick-up or drop-off location.
- 5. Have an emergency contact meet your child at the emergency pick-up or drop-off location.
