Cafeteria Accounts: Our accounting system operates much like a debit card program. Students will be using their Infinite Campus code. These codes are for the student's use only. The account codes are not usable by any other student or family member. Funds should be available on the student's accounts at all times. Families are strongly encouraged to send funds for their student's meals weekly, bi-weekly or monthly. We are not able to accept funds for a reduced or full price meal in the serving line due to confidentiality issues. Therefore, families should plan to send the following for a typical five day school week.

- Reduced price meals: \$1.50 (breakfast) + \$2.00 (lunches) = \$3.50 per week
- Full price meals: \$11.00 (breakfast) + \$16.00 (lunches) = \$27.00 per week
- Adult meals: \$12.25 (breakfast) + \$19.00 (lunches) = \$31.25 per week

### Meal Prices

Meal	Reduced	Full Price	Adult
Breakfast	\$0.30	\$2.20	\$2.45

Extra Milk	\$0.50		

We reserve the right to refuse meal service to students and/or adults that have a negative account balance in excess of \$15.00. Parents are able to pay their student's lunches by credit card, either online or in the office.

Food Service Program Meal Applications – Applications for meal benefits were distributed with your back to school packets for each student. Families must complete a new application for meal benefits each school year. This should be done immediately as families may be asked to pay for meals purchased during the approval period. Some applications may take several days to process. Only one application per family is necessary. Accuracy is important as we are required to verify a certain percentage of applications each school year.

Breakfast Service – Breakfast is from 7:30am – 7:50am
