Do you want to be more active in your child's education?
Is your child a different learner?
Does he or she have an IEP, a 504, or receive other special services through the special
education department?

We are looking for ways to involve parents in the life of the school. So, we invite you to join our Special Education Parent Advisory Group (**SEPA**G) which gives parents the opportunity to provide input and advice to the school in regard to matters pertaining to the education and socialization of All students.

Dr. Charles D. Blachford
Interim Superintendent of Schools 10-14-19
