Family Support Newsletter | Fall 2019 | Issue 1

WELCOME!

Welcome to the 2019-20 school year! We know that having a family support coach as part of your child's preschool is a unique experience. At ECEAP we believe that family stability and well-being are critical for healthy child development. Our goal is to support your child *and* your family. Together, we will recognize your family's strengths, set goals that are important to you, and access resources that can help you meet your goals. We will use a tool called "The Bridge" with you, to explore your family's unique strengths and areas you hope to grow in.

GET INVOLVED

There are many ways to be involved! Being involved in your child's education--through volunteering, attending family events, and communicating with your child's teacher and family support coach--will help set your child up for success. If you would like to become a volunteer, contact your family support coach. If you can't volunteer, we have other ways to be involved. Every month we offer a family night or class, and our ELC Cafe parent group meets one Friday a month.

REMINDER

We are *required* to have copies of your child's most recent well-child and dental exams within 30 days of starting school!
