**Calendar**

- August 16<sup>th</sup> – Teachers Institute
- August 17<sup>th</sup> – First Day of School for Students
- August 21<sup>st</sup> – Eclipse Day / each building has day long activities for the event as well as 1 pair of glasses for each student in the district

**Technology Report**

- Heart Technologies has finished up installing all the new battery backup units in all the buildings in the district. As of now, if the power goes out, none of the main technology distribution points in the district will lose power. With that, security cameras, telephones and wireless will be able to run at all times with small power outages. This should help to also protect the equipment from possible power brownouts or surges as we move forward.
- Heart Technologies has also finished up the High School Rewiring project that was an E-Rate project from a couple years ago. With that we are able to get the computers running on updated cable at more reliable speeds in the end. We also updated the whole wireless network in the High School so it will now run dual frequency and should be able to handle the additional connections that will be coming in this year.
- We were able to purchase some used smartboards and projector setups from an outlying school district. We were able to get them for a good price and distributed them in the Junior High for most with a couple going to the other buildings as well.

**Finance Committee**

The committee (Campbell, Hall, Meseke, and Well) reviews fund balances and bills. The Finance Committee will meet next on August 15th. The committee meets to review bills, fund balances, state budget shortfall and general financial information and discussed state funding options.

**Policy Committee**

The committee (Goldsmith, Lawson, Hall, Well, Meseke, Protz, Kern) reviews policy updates from the IASB. The committee meets to review all policy updates (provided by the Illinois Association of School Boards) and makes recommendations to the BOE for adoption.
