

**Memorandum of Understanding
Between
Marysville School District
And
Service Employees International Union, Local 925

Transportation Rovers**

The purpose of this Agreement is to codify the agreement between the Marysville School District (herein District) and the Service Employees International Union, Local 925 (herein SEIU925) related to Transportation Rovers.

It is agreed that:

For drivers that have been awarded a position of Transportation Rover, it is agreed, should the employee(s) desire to bid for a permanent route that could/would result in a loss of hours and the premium pay for the employee, the District and the Union agree they should be allowed the opportunity to do so.
