

## **Homeless Student Inquiry**

El Reno Public Schools guarantees all homeless children and youth a free and appropriate public education. Homeless children and youth include those living with or without their parents in a shelter (temporary family shelter, domestic violence shelter, runaway shelter, temporary hotel/motel, campground, car or on the street). Also included are those children and youth temporarily living with relatives or friends (with or without their parents) because they do not have a fixed, regular, safe or adequate place of residence.
