Join Us!

All interested high school students completing their junior or senior year considering a career in healthcare are encouraged to apply for this summer internship experience.

What You'll Learn

Interns will work with Evangelical healthcare professionals, such as radiology technicians, physical and occupational therapists, and laboratory and respiratory care professionals. There is also a track specifically for nursing.

Limited and Reserved Seating

Program begins June 25, 2018 and runs through July 2018. Selected students must be available for classroom instruction from June 25-28. Other internship hours are flexible.

Applications Accepted Spring 2018

Applications will be accepted for unpaid, internship placements in Spring 2018 until May 4, 2018. Please visit the Hospital's website to apply:
