

Parsons Middle School Chess Club

In the Parsons Middle School Chess Club, we teach your child how to play chess. We teach them basic rules first, then we teach them all forms of strategies, from the fool's mate to the scholar's mate. Our players have become very successful after only one year of playing. We have had players place first place in tournaments, we have won trophies in the top three for many tournaments. And with the help of Ralph Bowman and Warren Marlow (Instructors of Chess), we can do so much more. Our teacher sponsor, Clara Killingsworth gives the players all the encouragement that they need. None of this work would be possible without those three. We also have two Guthridge students coming to play with us, they have been very successful as well.

This past season, the Chess Club practiced Mondays and Wednesdays after school from 3:20 to 4:20 p.m.
