

## GRANDVIEW R-II SCHOOL DISTRICT TYLENOL CONSENT

Tylenol consents must be filled out each year for students. Without written consent from a parent/guardian, the school nurse will not administer Tylenol.

I request the school nurse to give Tylenol to my child  
\_\_\_\_\_ once during the school day for  
complaints of discomfort or fever.

\_\_\_\_\_  
Date

\_\_\_\_\_  
Parent/Guardian Signature

Reminder: If your student develops a fever of 100 degrees or above, he or she will be sent home. A student must be free of fever, diarrhea, and/or vomiting for 24 hours, **without the use of medication**, before returning to school.
