

let's celebrate!

1st Quarter Celebration

Thursday October 3rd

2:00-3:30pm

Students will rotate as a class through three stations.

- Spooky Snack and Movie in the Cafeteria
- Funky Dancing and Movement in the Gym
- Creative and Silly Crafts in Classrooms

We will finish off the day with a costume parade around the playground to show off our awesomeness!

Guidelines to Remember:

*Students **should NOT** come to school in their costume or have any face paint. Students **will NOT** be allowed to wear masks. Students should be able to wear their **costume OVER their** school clothes.*

The purpose for the above guidelines is so that we are not spending a lot of time changing into our outfits but spending the majority of our time celebrating the end of the 1st quarter and all the hard work we have put in!

This is a time to dress up and make memories with our friends. Save the mask and face paint for later that night with you go trick or treating with family.
