## CVIC

We now have a therapist that works through CVIC that comes to our school two days a week. Rebecca can see students who have experienced any type of trauma either currently or in the past. This service is free through a grant, there is just an intake that needs to be completed before services begin. Please contact Mr. Hockert if you have any questions or if you feel your child could benefit from this service.

## Mrs Broeren's 1st Grade News

- We are off to a great start in the first grade! I am really pleased how diligent families are
- about doing homework with their children. I occasionally send home some extra practice
- on things your child is struggling with. I have had many parents ask me how they can help
- their child. The best thing you can do is have them read to you each day. The more practice
- they have at reading on level books the stronger they become in all areas. Continue to
- check their binders each night for homework and behavior.

• As most of you know we have a student teacher in the first grade. Miss Shaffer will be taking over most subjects the 21st of October. I will still be here for support. She will be teaching most of November. I have full confidence in her ability.

• With the weather changing please make sure to send your child with proper clothing for winter. They also will need to have tennis shoes to change into once at school.

• Have a great long weekend and stay warm and safe.
