- June 25**  
8th Grade Moving Up  
1:00 pm MS/HS Auditorium
- June 29**  
High School Graduation  
10:00 am MS/HS Auditorium

## Star Gazing by Christine Jensen

Recently, the Earth Science students experienced the excitement of stargazing within the walls of Greenville High School! The event was held right here in the comfort of our auditorium and during the day! This exciting experience was made possible through the use of the Schenectady miSci Museum's portable planetarium called the Starlab. The Starlab is a dome that blows up to be 16 feet high and 20 feet in diameter that can fit about 25 students at a time. Students (and even some curious faculty and staff) crawled into the Starlab and enjoyed a 45 minute planetarium show facilitated by a professional Astronomer that focused on the stars in our night sky, constellations and how to find them, and Polaris. Thank you MS/HS PTSA for funding such a memorable experience!

**Greenville CSD welcomes  
Special Education Teacher  
Emerson Snyder's son  
Jace Emerson Snyder  
born March 18, 2019**

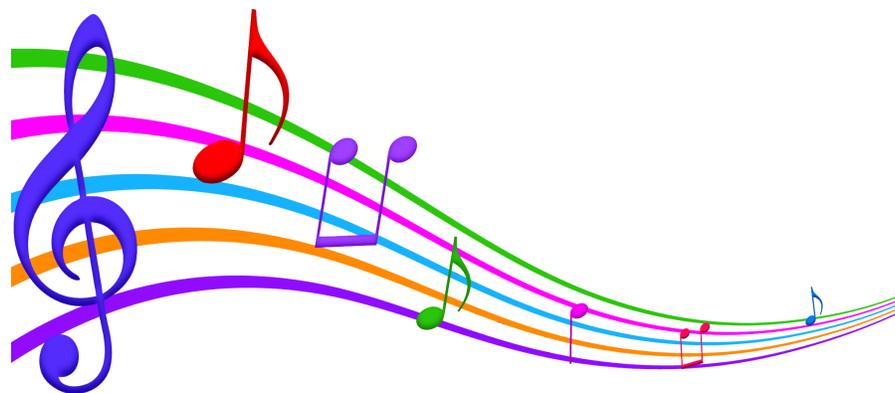

## Fifth Grade Musical by Adrian Catucci

The 5th grade musical, *At the Bandstand* was a huge success! Students involved in the show or working behind the scenes were dedicated to rehearsals that began from January and lasted until the show in May. So many members of our Greenville community helped add to the success of the show as well. It was a great experience and students have already expressed how much they miss being a part of the production. Thank you to all who attended and with your continued support for our arts and music education opportunities in our district!

## Scott M. Ellis Elementary School Spring Music Concert

On May 16th, the 5th grade band and chorus performed a variety of musical pieces at the Scott M. Ellis Elementary School Spring Music Concert.

## An Afternoon of Presentations for 7th Grade by the 7th Grade Team

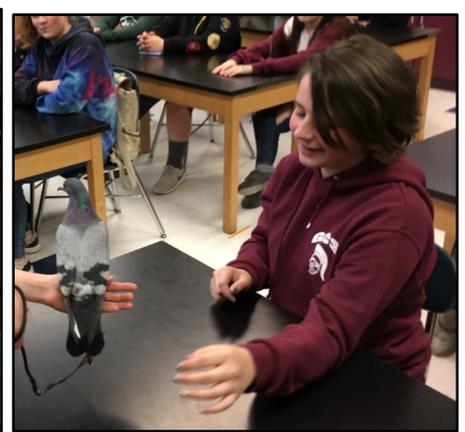

On the afternoon of Wednesday, May 1st, the 7th grade had a special presentation to celebrate the end of NYS ELA and Math testing.

In a show-and-tell style presentation, Kelly Martin, a Wildlife Rehabilitator from the Huyck Preserve in Rensselaerville, talked about her work with a variety of animals. Emily Smith, a 7th grader who volunteers with Kelly Martin, assisted with the presentations.

Ms. Martin discussed the work of a wildlife rehabilitator and some of the reasons why animals might need help. Emily and Ms. Martin then introduced the students to a variety of animals- including a snapping turtle, eastern box turtle, weasel, screech owl, American kestrel, baby rabbits, pigeon, and a brown bat.

Special thanks to the Greenville MS/HS PTSA for funding this presentation with a grant.

Thank you to our presenters for a great afternoon!

## 3D Printing at GCS! by Vikki Hawkins

In February, a new 3D printer was installed in the Elementary Computer lab. Since that time, students in the ES and teachers from the ES, MS, and HS have been learning about how 3D printing works, where to find ready made projects to print, and creating new 3D projects. Teachers have also been discussing ways to integrate 3D printing into lessons they already do. There has been lots of problem solving as well as trial and error as we learn how to make the best prints. Pictured are some of the projects we've downloaded and printed as well as some projects that teachers and students have created.

### The Presentation of the Junior Awards - Class of 2020

Junior Awards are offered to students who have earned a rank from 1 to 18 each year. All these students have had excellent academic skills and also contribute to Greenville's school community throughout their school careers. Students who received awards were given gifts, such as pens and medals, and/or scholarships. All scholarships become active to the students based on their commitment to the specific college or university after graduation.

The following lists each student who qualified for a Junior Award and which award they received:

- \* **Kenneth Beattie:** The Xerox Award For Innovation and Information Technology From Rochester University (Medal and \$40,000 Scholarship).
- \* **Ryan Blair:** The Frederick Douglass & Susan B. Anthony Award From Rochester University (Medal and \$40,000 Scholarship).
- \* **Alexandrine Content:** The RIT Creativity and Innovation Award (Medal and \$32,000 Scholarship).
- \* **Kate Dushane:** The Gellert Cornell Admissions Invitation (Cornell Sweatshirt), The RIT Computing Medal (Medal and \$32,000 Scholarship), and The Rensselaer Medal (\$100,000 Scholarship).
- \* **Austin Field:** The Saint Michael's College Book Award (The Book - *First They Killed My Father* and \$15,000 Scholarship).
- \* **Alexandrea Goyette:** The Rachel Carson Book Awards From Chatham University (The Book - *Silent Spring* and \$20,000 Scholarship) and The George Eastman Young Leaders Award From Rochester University (Engraved Pen and \$40,000 Scholarship).

- \* **Baillie Kappel:** The Bryn Mawr College President's Book Award (The Book - *StrenghtsFinder 2.0*) and The Bausch & Lomb Honorary Science Award From Rochester University (Medal and \$40,000 Scholarship).
- \* **Sierra Mistler:** The Le Moyne College Heights Award (\$50,000 Scholarship).
- \* **Meghan Misuraca:** The Clarkson University Leadership Award (\$60,000 Scholarship).
- \* **Joseph Nicosia:** The Student Sage Award (\$40,000 Scholarship).
- \* **Adam Park:** The Gellert Cornell Admissions Invitation (Cornell Sweatshirt) and The Clarkson University Achievement Award (\$48,000 Scholarship).
- \* **Ian Ratcliffe:** The Wells College 21st Century Leadership Award (\$40,000 Scholarship).
- \* **Isabella Ross:** The Student Sage Award (\$40,000 Scholarship).
- \* **Rachel Shelburne:** The Saint Michael's College Book Award (The Book - *First They Killed My Father* and \$15,000 Scholarship).
- \* **Sydney Smith:** The Elmira College Key Award (\$80,000 Scholarship).
- \* **Khalifah Tracey:** The Wells College 21st Century Leadership Award (\$40,000 Scholarship).

Congratulations to all the award recipients!

### Just a Few Reminders from Your MS/HS Nurses...

#### IMPORTANT INFORMATION

Health Examinations (physicals) are required for all students in grades:

PreK or K, 1, 3, 5, 7, 9 and 11.

Any student who is planning to participate in athletics during the school year must have an updated Health Exam every year.

All students entering 6<sup>th</sup> grade will need a Tdap immunization to begin 6<sup>th</sup> grade.

All students entering 7<sup>th</sup>, and 12<sup>th</sup> grade will need a meningococcal immunization to begin 7<sup>th</sup> grade and 12<sup>th</sup> grade.

Orders for medication must be NEW each school year. Please have your physician indicate that your child may Self-carry and Self-administer their medication (ie: inhaler, epi pen) for participation in sports.

Any questions contact your Nurses office: MS/HS 518-966-5070 ext. 420

## Sun Safety

The sun's ultraviolet (UV) rays can damage your skin in as little as 15 minutes!

You can reduce your risk of skin damage and skin cancer by seeking shade under an umbrella, tree or other shelter before you need relief from the sun. Your best bet to protect your skin is to use sunscreen or wear protective clothing when you are outside, even when you are in the shade.

Long-sleeved shirts and long pants can provide protection from UV rays. Clothes made from tightly woven fabric offer the best protection. A wet T-shirt offers much less protection than a dry one, and darker colors may offer more protection than lighter colors. Keep in mind that a typical T-shirt has an SPF rating lower than 15, so use other types of protection as well.

Wear a hat with a brim all the way around that shades your face, ears, and the back of your neck. Avoid straw hats with holes that let sunlight through. A darker hat may offer more UV protection. If you wear a baseball cap make sure you use sunscreen on your ears and back of neck. Use a broad spectrum sunscreen with at least SPF 15 or higher

Sunglasses protect your eyes from UV rays and protect the skin around your eyes. Sunglasses that block both UVA and UVB rays offer the best protection. Most sunglasses sold in the United States, regardless of cost, meet this standard.

Wrap-around sunglasses work best because they block UV rays from sneaking in the side.

Put on broad spectrum sunscreen with at least SPF 15 before you go outside, even on slightly cloudy or cool days. Put on a thick layer on all parts of exposed skin and get help for hard-to-reach places like your back. And remember, sunscreen works best when combined with other options to prevent UV damage to your skin.

Most sunscreen products work by absorbing, reflecting or scattering sunlight. They contain chemicals that interact with the skin to protect it from UV rays. All products do not have the same ingredients; if your skin reacts badly to one product, try another or call a doctor.

Sunscreens are assigned a sun protection factor (SPF) number that rates their effectiveness in blocking UV rays. Higher numbers indicate more protection.

Sunscreen wears off, put it on again if you stay out in the sun for more than two hours, after swimming, sweating, or toweling off. Also check the expiration date, sunscreen has a shelf life of no more than three years, it is a shorter shelf life if exposed to high temperatures.

Keep your skin safe from the sun this summer and have a great time!

## Athletic Corner by Denise Wickham

### Varsity Boys Baseball by Coach Carpenter

Baseball team went 4-3 after Spring Break, including upset win over Hudson in our last game. Highlights included: Freshman Cole Flannery hitting a walk-off home run for a victory over Rensselaer. Isaiah Edmonds, Cole Flannery and Ryan McAneny all hit two run home runs in our victory over Hudson. Isaiah Edmonds was named 1st team All-Patroom. Seniors- Ryan McAneny, Morgan Gergen, Travis Wilson, Bobby Corrigan and Keenan Mulholland will all be missed. With six starters returning, the future of Greenville Baseball is bright.

### Varsity Boys Tennis by Coach Gray

The tennis team finished up their season with an 8-5-1 Patroom conference record. We had contributions from many different individuals throughout the year that allowed us to have a successful season. We are losing seniors Bergen Criswell, Jared Revell, Brooke O'Keefe and Claire Tolan, but return many juniors and sophomores that should fill those spots vacated. Once again, the entire team looks forward to the new facilities that are going to be constructed and hosting our first home match in many, many years.

### Varsity Track & Field

by Coach Cullen & Coach DeLuca

The track team has mostly summed up their season, with the exception of Tess Fitzmaurice who will be continuing on to State Qualifiers at Shenandoah High School this week. Everyone reached new personal bests this season, and we hope to continue that trend even more so next year. We look forward to having a fresh track to practice on in the upcoming season next year. It will help our team tremendously and further our growth as a program.

### Varsity Girls Softball by Coach Hagan

Softball finished with a 12-2 record in the league finishing second place in the Patroom Conference. We received the number four seed in sectionals where we beat Taconic Hills and then faced Tamarac in defeat. Seniors Caila Benning, Alexis Caprio, Jazzmin Gibson, Zakiyah Haque, and Kayla Pflieger will be leaving us with very big shoes to fill. Melody Kappel was named to the Patroom Conference 1st Team. Caila Benning, Alexis Caprio, and Kasey Pflieger were named to the Patroom Conference 2nd Team.

## Signing Day

The Greenville Athletic Department will be holding the Senior Signing Day for those athletes recruited by college coaches to play at the college level on June 6, 2019 from 3:30 pm-4:30 pm in the High School Library. Please join us as we celebrate the following athletes:

### Caila Benning

Caila will be attending Cazenovia College, majoring in English and playing softball for the Wildcats.

### Bergen Criswell

Bergen will be attending Wells College, majoring in Business Management and playing soccer for The Express.

### John "Morgan" Gergen

Morgan will be attending SUNY Cobleskill, majoring in Wildlife Management and playing soccer for the Fighting Tigers.

### Jazzmin Gibson

Jazzmin will be attending Columbia Greene Community College, majoring in Nursing and playing softball for the Twins.

### Zakiyah Haque

Zakiyah will be attending Hudson Valley Community College, majoring in Criminal Justice and playing basketball for the Vikings.

## Athletic Awards Night

The Greenville 2018-2019 JV & Varsity Athletic Awards Night has been set for June 11, 2019 from 6:00 pm -8:00 pm in the High School Auditorium. This awards night will recognize all JV & Varsity athletes.
