

Family accounts may not charge more than \$50.00, individual accounts may not charge more than \$25.00.

After receiving this letter you have 3 business days and if not paid in full the school will not be able to provide hot lunch, breakfast, or charge ala carte until the amount is at least under the \$50.00 per family negative balance, or \$25.00 for individual negative accounts.

Free/Reduced Meal applications are available at any school or the District Office if you would like to apply to determine if your household qualifies for this type of assistance. Any application submitted would be for the current school year only. A new application is required each school year for this program.

Until the balance is paid, please send a sack or cold lunch with your child to school.
