

STUDENT ATTENDANCE

The Valliant Board of Education believes that in order for students to realize their fullest potential from education efforts, they should attend all classes if possible. Realizing that some absences may be beyond a student's control, the board has adopted a policy requiring that students do not miss more than eight (8) days per semester to receive credit for any course in which the student is enrolled. Exceptions to this requirement will be considered by the building level attendance committee on an individual, case by case basis at the end of each semester.

The superintendent is directed to establish an attendance regulation, subject to board approval, which supports this policy.
