- Students use this site to practice math facts. They practice each day for five minutes. The program stops automatically when finished and records their progress.

## **Sumdog**

<https://www.sumdog.com/sch/springfield123457>

- Sign in using your username, password, and school code (springfield123457)
- Follow instructions on screen
- The students will be competing against each other in the different areas for the most problems solved correctly. The more problems they solve correctly the more they will be able to furnish their house. This website also has competition contests with other schools statewide and nationally. Last year we won for the state and all students received free subscriptions. This allowed the students access to the entire site Have fun.
