Dear Parent/Guardian,

We are excited to inform you that our school has enrolled with STOPit!

STOPit (<https://stopitsolutions.com/>) is an online reporting tool designed to deter and mitigate bullying, cyber abuse, and other inappropriate behaviors, consisting of an app and a management system for school administrators.

Students/Parents will have access to the STOPit mobile app, which has two simple but powerful features.

Report can be used by students/parents to report incidents anonymously.

Messenger can be used to engage in anonymous two-way communication with school.

Both Report and Messenger empower students/parents to stand up and help put an end to harmful and inappropriate behavior such as bullying, cyberbullying, threats, hazing, and discrimination. The STOPit mobile app can also be used to reach out for help if they or a peer are facing a personal crisis or experiencing abuse, or are otherwise in need of assistance. Our goal with STOPit is to create a safer, kinder, school community. No student information is needed to use STOPit. The only way personally identifiable information will be accessible through STOPit is if a student/parent voluntarily includes it within the content of a report or message. Both our school and STOPit are committed to protecting the privacy of student data. You may review STOPit's Privacy Policy at (<https://stopitsolutions.com/privacy/>) for details, including more information on how anonymous reporting works.

The STOPit mobile app can be downloaded from the iTunes or Google Play. Our school code is ***PCSTAN2612***.

Download STOPit for free from iTunes or Google Play.
