

Dear Parent/Guardian,

During the upcoming holiday season, the school nurses will work closely with local food pantries, fire stations, churches and town halls to provide new clothing and toys to children who might otherwise not receive any presents for the holidays.

If you **need help** this holiday season, please complete the enclosed application and return it to your child's school nurse **no later than Friday, November 8th**. Wish lists may be submitted later but we cannot guarantee your child will get the gifts requested.

The nurses will forward your wish list to the key person in your town. This information is kept confidential; community members who sponsor your child are given no identifying information. Please talk to your child's school nurse to learn more.

If you would like to **provide gifts** for a child, please call your school nurse. She will put you in contact with the people organizing holiday assistance in our district. Thank you for your support!

Wishing you and your family a joyous holiday season,

Sincerely,

The School Nurses

( Jada Clark, Anya Davidson, Erin Foth, Vicky Gabrion, and Angela Palmer)
