Coffee with the Principal- Save the Date!

On Tuesday,
December 10th at 8am

I will host a "coffee
with the principal" at

BRES. It's a time for parents to meet with me to talk about what's going well at BRES, to hear where we are heading with our goal work and to share ideas and get feedback. I will have a few general questions to get our conversation started. I plan on hosting a few of these events throughout the year and will plan one later in the day to try to meet the needs of our families.

Please RSVP to Lisa Tilton or Mary Knapp by phone or e-mail if you plan on attending so we can plan on refreshments.

ALLERGY ALERT

Dear Families,

This letter is to inform you that a student in our school has a life-threatening allergy to **peanuts**. We invite your help and cooperation to help them stay safe.

While we are not mandating a peanut free school, there are several practices that will help prevent allergic reactions:

1. Students should wash their hands upon arrival to the classroom and again before and after lunch.
2. Parents who send a lunch from home for their child are free to pack the foods of their choice. It is our hope that families CHOOSE not to send foods containing peanut butter or peanuts.
3. There will be special days and occasions that students may want to bring a snack to share. Please consider peanut free items. Feel free to call the school nurse, 633-9814, for "allergy safe" suggestions. Another option to consider is sending/donating a book or game to the class in your child's name.

Thank you for your help in providing a safe school environment.

If you have any questions regarding our allergy aware school, please call Kate Schwehm, School Nurse, at 633-9814 .
