

Medication Delivery Information

Dear Parent or Guardian,

Date:

The start of the school year is quickly approaching! If your child will be taking medicine at school, provider and parent permission forms are needed for both prescription and over the counter medications. **New medication permission forms are required each school year.**

New York State Law requires that:

- Parents or guardians must personally deliver all medication to the to the school health office (unless a self-carry order form is signed by parent and physician). All Controlled Medications must be brought by an adult.
- All medication must remain in properly labeled pharmacy or original over the counter (OTC) containers
- A new prescription/medication form signed by the medical provider is required at the beginning of every school year (attached).
- The parent must sign the medication permission form (attached).

Medication forms are available on our district web site under my page or may be obtained from the School

Health Office. Your physician may use their own form if desired.

We will be available for medication drop off through school hours _____ through _____.

Thank you in advance for your cooperation.

Cheryl Archibald, RN

 RN

School Nurse
