MdCV Elementary Field Trip to "Pome on the Range"

During the month of October the third – fifth grade, kindergarten – second grade and Preschool classes enjoyed field trips to "Pome on the Range" by Williamsburg, KS. We learned that apple trees could live 25 years or more. They had many small and large pumpkins, gourds and squash, and each student could pick one to take home. They showed us where they process the apples after they are picked and we were able to taste some yummy apple cider that was made into a slushy. We also fed the ducks and it was **AWESOME**. The trip was very cool. Thank you "Pome on the Range."

Veterans Day Program

The Marais des Cygnes Valley Elementary School is hosting a celebration to honor all veterans and active service members on November 8th at the school in Quenemo. The program will begin at 2:00 pm and will pay tribute to all branches of the armed forces. There will be a continuous showing of veterans' pictures with a concert performed by the elementary students. Everyone is welcome to join us for the many festivities that are planned to recognize and honor veterans and current members of the armed forces. At the end of the program, the elementary will collect loose change that will be donated to the Melvern American Legion.
