CENTENNIAL PUBLIC SCHOOL K-5 STUDENT SUPPLIES

We are excited to share that for the second year all of the supplies that kids need to use in the classroom will be provided for them this school year! This has been made possible by the generosity of The IHDE Foundation and Centennial Public School.

The following items are the only things that you will need to provide for your child.

Students in Grades K-5 will all need a pair of tennis or soft-soled shoes that are free from dirt and rocks. These do not need to be new. These are needed when the students play on the gym floors. They should be left at school. PLEASE LABEL ALL ITEMS WITH CHILD'S NAME.
